THE PEREGRINE FUND RESEARCH LIBRARY

SERIAL PUBLICATIONS FOR SALE

The entire proceeds from the sale of these items are used to add new titles to our library, so every book you purchase from us results in an addition to two libraries – yours and ours! This list is updated at least monthly. We have at least 1,000 additional titles from these and similar series, so please inquire if you need something that does not appear on this list.

Terms:

Book orders should be sent to library@peregrinefund.org or to Library, The Peregrine Fund, 5668 W. Flying Hawk Lane, Boise, ID 83709 (phone (208-362-3716)). We accept payment by VISA, MasterCard, check in U.S. dollars, or cash in U.S. dollars. Final prices include domestic media mail shipping costs of \$3 for the first item and \$1 for each additional title. Shipping costs for large orders are billed at actual cost. We honor purchase orders from institutional libraries, but request advance payment from other buyers. Drop shipment orders from booksellers are honored.

Descriptions are based on the standard terms used widely in the book trade:

Mint: As new (generally in original cellophane wrapping)

Fine: No defect in book or dustjacket, but not as crisp as a new book

Very good: Very light wear with no large tears or major defects

Good: Average used condition with some defects, as described.

Fair: A “reading copy” with major defects; we offer these free for postage costs.

“Wrappers” = paper covers. If this term is not included, the book is hardbound.

“dj” = dustjacket (or “dustwrapper”).

“ex-lib” = library book with the usual marks

All titles are in very good-fine condition unless noted otherwise. More detailed information on condition can be supplied upon request. Publications may be returned for any reason in the original carton for a full refund of the purchase price plus media mail shipping costs.
