

Instructions for Awesome California Condor Mask

1. Print pages 2-3 of this document on construction paper. We recommend 65 lb paper.
2. Use page 3 to cut out the strips for the mask body.
3. Tape 2 of the strips together to make a ring that fits on top of your head.
4. Tape the 3rd strip at an angle to opposite sides of the ring. (fig. 1)
5. Use page 2 to cut out the shape of the head of a California Condor.
6. Tape the condor head piece to the angled strip.
7. Wear the mask! (fig. 2)
8. You have 3 left over strips. Print another condor head piece and make a 2nd mask.
9. Visit our web site to find directions to make condor wings with a 9ft wing span!
