*Jim and Millie Frazier*

**Jim** | On November 29, 1926, the world welcomed the birth of a true adventurer. On June 21, 2018, the adventure ended. Jim Frazier did it all. He graduated from St. Joseph's University. He competed in track – holding many javelin throwing records that held for years. (Years later at a NAFA meet, he and longtime falconer acquaintance Lou Woyce found out they competed at many of these track meets although not in the same events.) He served on active duty during WWII and was stationed in Tokyo Bay from January 1945 to May 1946. Jim began his career with the FBI in 1951 and served as a Special Agent in Columbia, SC, then Saginaw, MI. He jumped at an opening for his dream assignment when a slot opened in Anchorage, Alaska. He served there until his retirement in 1976.

Jim was a lifelong falconer, over 80 years, possibly the longest active falconer in US history. He flew birds for approximately 80 years. Falconry was Jim's lifelong passion and he enjoyed the total support of his loving wife Millie.

*Jim is survived by his children: Anette Marie, Linda Sue, Linda Lil; James Holman IV, Robert Miller, and 12 grandchildren and 11 great grandchildren.*

**Millie** | Mildred C. (Millie) Frazier was born on May 30, 1926 to her loving parents, Laurinda and Lyle Cossey in Salt Lake City. Millie always considered Alaska her home. She was fortunate to have been able to spend 47 years in Anchorage, working at Matanuska Bank. She met her husband Jim there and they spent 40 years filled with fun and adventure, enjoying their cabin on an island in Big Lake.

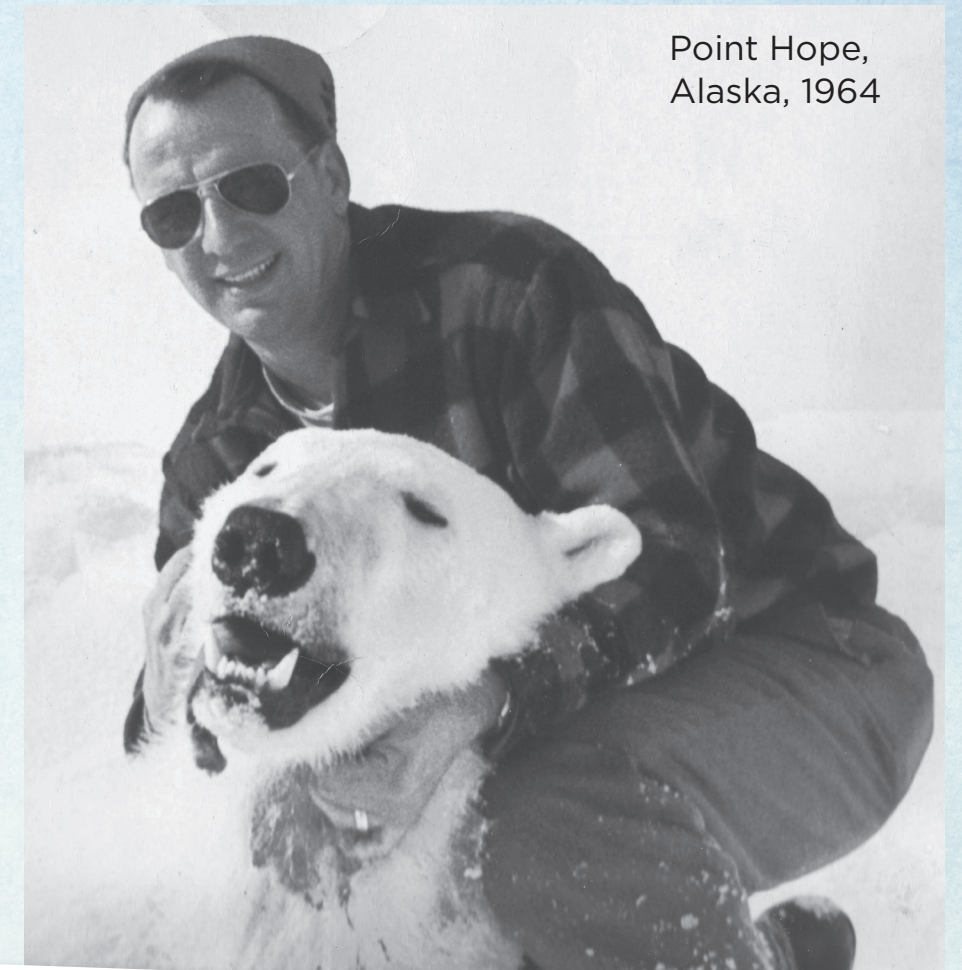

One of her more treasured adventures was floating the entire 2,000 miles of the Yukon River. She loved to travel, and enjoyed Paris, London and family trips to Hawaii with all their side adventures.

*She was a warm  
and loving  
grandmother  
who gave all  
her children her  
whole heart.*
