MISSION
Conserving Birds of Prey Worldwide

WORK WITH US
The Peregrine Fund (TPF) protects the earth’s 562 species of raptors, partnering with local people on five continents to inspire action and preserve essential habitats. Support comes from donors, corporations, and government grants. We were founded in 1970 to rescue the Peregrine Falcon from extinction by pioneering ways to breed and release them across North America. With that historic success, our mission grew to encompass all raptor species worldwide.

Currently, The Peregrine Fund works to:
- Restore critically endangered species
- Research little-known species
- Train and support students
- Engage all ages with environmental education
- Conserve habitat

Our employee benefits program plays a vital role in demonstrating our commitment to our employees. We are pleased to offer eligible employees a benefits program that is comprehensive and among the best among our peer institutions, including a 403(b) retirement program as well as health, dental, vision, life and long-term disability insurance.

The Peregrine Fund is an Equal Opportunity Employer. We ensure all qualified applicants will receive consideration for employment without regard to age, race, color, religion, gender, sexual orientation, gender identity, national origin, disability, or veteran status.

The successful applicant will be required to complete a background screening before final offer of employment is made.

POSITION SUMMARY
The Development Coordinator will work closely with the Development Department to create, maintain, and expand the scope of fundraising and stewardship opportunities. This position will report to the Development Director and collaborate with the Development and Communications teams, and will represent the Development department with program staff. This position supports and contributes to the department’s strategy, locally in Boise and on an international scale.
