

2025 SUPPORTERS

None of what we accomplished in 2025 would have been possible without the people who stand behind this work. To our donors, partners, supporters, and board members, your commitment to birds of prey is what sustains us, year after year. You make it possible for our team to show up every day in administrative offices, in the field, and in communities around the world — doing the work that matters. For that, we are genuinely grateful.

With thanks and continued dedication,

The Peregrine Fund Team
